

SIMPLY SCARVES

by

francine toukou

The "Simply Scarves" pattern is the foundational scarf in the "Simply" series of crochet patterns. This series is a collection of very structurally basic designs that were created for four simple purposes.

1. To enable **BEGINNERS** to create aesthetically & functionally high-end designs that are simplistic in principle, with minimal skill requirements.
2. To enable **KNITTERS** to cross over & easily access crochet in a clear, uncluttered, and uncomplicated format.
3. To take **ADVANCED** and **INTERMEDIATE** crocheters into a highly prolific space, by giving you an arsenal of well designed, easy, go-to patterns.
4. To create a landscape where all 3 groups can learn foundational structures where the process has been pared down, enabling you to easily create your own designs & patterns based on these simplistic foundations and techniques.
